Data Zoom 11-0

Note the lime green line starting at the left side of the map and then going east then south to Tryon, NC continuing on to Landrum, SC. At the Stop Light you turn LEFT to go through Landrum on out to cross over I-26. Continuing on till you intersect with NC-9. At NC-9 Green Creek area you will turn LEFT again and head NORTH to Mill Spring, NC. Once at NC-9 and NC-108 all bikers turn LEFT on NC-108 heading to Columbus, NC. The route ends in front of the court house with ample parking for the bikes. All toys are placed on the steps in front of the court house should more space be needed then the expansion is down the wall on either side of the steps.

The Ride will travel about 31 miles from start to finish. The riders will find the length of the column to be about 10 miles long. Average bike speed is 40 MPH.
